# Globe Medicare: DR. Deepak Agrawal Continues to drive excellence in Gastroenterology care in Lucknow

**When it comes to gastrointestinal health, finding a trusted and reliable hospital with experienced specialists is crucial. In Lucknow, Globe Medicare stands out as the leading gastroenterology hospital.**

**Lucknow, Uttar Pradesh Jun 22, 2023 (Issuewire.com)** - Globe Medicare, a leading healthcare institution, proudly announces the continued leadership and exceptional contributions of Dr. Deepak Agarwal, Founder, Managing Director & Chief Gastroenterologist at Globe Medicare. Dr. Agarwal, a distinguished gastroenterologist, has been at the forefront of advancing patient care and spearheading innovative treatments for gastrointestinal conditions.

With an impressive academic background, Dr. Deepak Kumar Agarwal completed his MBBS and MD (Internal Medicine) from the prestigious King George College, Lucknow, U.P. His exceptional performance as an MD student, earning him the Gold Medal, demonstrated his dedication and excellence in the field. Driven by his passion for gastroenterology, he further pursued his DM (Gastroenterology) at Sanjay Gandhi Post Graduate Institute, Lucknow, U.P., where he expanded his knowledge and skills.

During his tenure at Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow, Dr. Agarwal focused on his academic interests in the hepato-biliary-pancreatic area, developing it as a subspecialty. He played a pivotal role in introducing groundbreaking procedures and diagnostic tools, including Endoscopic Ultra Sonography assessment (EUS), Biliary and Pancreatic Lithotripsy, and Diagnostic tools for predicting Gallstone composition in vivo. These advancements, introduced for the first time in India, showcased Dr. Agarwal's commitment to pushing boundaries and enhancing patient care.

Dr. Agarwal's extensive clinical research work has resulted in approximately 50 publications, with a majority of them published in renowned international journals of high impact. His contributions have garnered recognition at both national and state-level conferences in the hepatobiliary-pancreatic area, where he has received numerous awards.

As the driving force behind Globe Medicare, Dr. Deepak Agarwal's leadership and expertise has established the hospital as a center of excellence in gastroenterology care. Under his guidance, Globe Medicare continues to provide exceptional patient care, utilizing the latest medical technologies and evidence-based practices.

"We are immensely proud of Dr. Deepak Agarwal's contributions and the impact he has made in the field of gastroenterology," said Dr. Sandeep Awasthi, senior Surgical Gastroenterologist at Globe Medicare. "His unwavering dedication to advancing patient care and introducing groundbreaking procedures has positioned Globe Medicare as a leading institution in the field. We remain committed to delivering the highest quality of care under his guidance."

Globe Medicare invites patients and medical professionals to experience exceptional gastroenterology care led by Dr. Deepak Agarwal.
