Get to know Dentist Dr. Huanan Zoe Li, who serves patients in Bellevue, Washington.

New York City, New York Jun 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - A trusted dentist, Dr. Li works with patients at Bellevue Dental in Washington State. Her patient-centered approach is built on a foundation of kindness, compassion, and honesty. She treats each patient with the utmost care and respect, ensuring they feel comfortable and at ease during their dental visits. Her guiding principle is to provide the same level of care that she would want for her own family, fostering a sense of trust and rapport with her patients.

One of the remarkable qualities that she possesses is her radiant positive energy and genuinely warm

and charismatic personality. Her patients appreciate her friendly demeanor and the way she puts them at ease. She understands that a visit to the dentist can be an anxiety-inducing experience for many, and her cheerful presence helps create a relaxed and welcoming environment.

Before embarking on her professional journey, Dr. Li graduated with a Doctor of Medicine in Dentistry degree from the Case Western Reserve University School of Dental Medicine. She has undergone advanced training in intravenous sedation, oral surgery, endodontics, Invisalign, restorative dental procedures, sleep apnea, and oral sleep appliances. She also holds a master's degree in nutrition, which she seamlessly integrates into her patients' care.

In addition to her dedication to patient care, she actively engages in professional organizations to stay connected with her peers and stay up to date with the latest advancements in dentistry. She is a member of prestigious dental associations such as the Washington State Dental Association, the Academy of General Dentistry, the American Dental Association, the American Academy of Clear Aligners, and the American Academy of Sleep Medicine.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Outside of her dental practice, Dr. Li enjoys spending time outdoors, surrounded by nature. Whether it's hiking, camping, or simply taking leisurely walks, she finds solace and rejuvenation in the beauty of the natural world. She also has a Shetland Sheepdog named Julius, who brings joy and companionship to her life.
