

Hurry Up! The Tunes Club Is Offering A 15% Discount from The 19th Of June

The Tunes Club has come up with a 15% flat discount for every Spotify promotion for every artist from the 19th to the 26th of June on the occasion of World Music Day.

Cheyenne, Jun 19, 2023 ([IssueWire.com](https://www.issuewire.com)) - Artists nowadays prefer Spotify over other music streaming platforms to showcase their talent. It is a platform that has a variety of music and that is why it is becoming accessible for every kind of artists to present their music. From this music streaming platform, one can gain global attention in a short time frame. But the number of musicians on this site has increased more than ever. For that reason, it is quite difficult for everyone to reach out to their potential audiences. In a situation like this, promotion is the only choice and **The Tunes Club** is making promotion way easier for everyone with their services. Currently, they are also offering a **huge discount of a flat 15% on World Music Day** for every artist. **The offer starts on the 19th of June and ends on the 26th of June.**

It is a music promotion company that implements a wide range of strategies for the promotion. With the help of all the various approaches, [Spotify promotion](#) becomes way easier. Their promotions have the potential to garner worldwide audiences. From this organization, one can get services like press releases, music blogs, reviews, and inclusion to Spotify playlists. All these variants and well-versed writings can be very much helpful for artists to gain the attention of everyone. This company pays attention to playlists because now people tend to listen to more playlists rather than search them. It is an effective strategy that can be useful to garner more audiences. Therefore, it is very much easier to create a buzz among the audiences.

This company is providing a wide array of promotion packages for everyone, thus artists from every scale can take advantage of their services. **They are giving a Spotify Marketing Package at only \$39 with facilities like adding tracks to more than 60 curated Spotify playlists garnering 3000-3500 listeners and 100+ social media sharing to multiple social media sites. Apart from this, there is Spotify Promotion Pack at \$69, where a song will be placed in more than 90+ playlists, 7000-7500 listeners, with a facility of a press release. Here the artist can also promote two songs at the same time. There is also Spotify Marketing Pro Pack, which is available at \$105 where one can promote three songs and get features like a press release, and music blog. One will also get featured in 120+ playlists, which can bring 10000-11000 listeners. and at the last, they are giving Spotify Promotion Pro Pack that one can avail at \$169 by getting facilities like 180+ Spotify playlists, 14000-15000 listeners, and writing services like press releases, music blogs, and reviews. With this package, one can promote up to four tracks.**

The Tunes Club is giving all these promotional services to everyone and with this assistance, an artist can reach out to the maximum number of listeners. This company promotes songs from every genre, thus artists from any scale and genre can take their services to do promotion. Their organic and sustainable exposure is helping everyone to achieve a successful music career. All of their packages are very much affordable and along with that the discount is applicable in all these packages, which is making it even more user-friendly for all. Apart from everything, they are also giving a **24x7 customer care service** for their clients. By using this feature, one can reach out to them at any given time and resolve problems regarding the promotion. So, do not waste any more time and avail of their promotion service.
