

Instant Cash For Cars Of Up To \$19,999 Offered By Car Removals Canberra

Car Removals Canberra is offering up to \$19,999 in cash for used, old, and unwanted cars, vans, and trucks of different brands. They will also remove the old cars from your premises for free.

Australian Capital Territory, Australia Jun 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - Car Removals Canberra, one of the known car removal companies throughout the Australian Capital Territory, is now offering on-spot payment for various types of old, broken, used, unwanted, as well as written-off vehicles. Car Removals Canberra is offering an amount of up to \$19,999 for these cars, depending on their condition. To make the car-selling process simpler, the company has claimed to manage the paperwork on the spot for its clients. Additionally, to make the operational framework seamless, the company has declared that it will deliver the best and final quote for the mentioned vehicles on the spot, after a thorough inspection of the vehicle.

According to Car Removals Canberra, to directly compete with its counterparts, it is now offering swift cash for car services while offering the top price for the vehicles. Moreover, the company is now accepting cars for all brands, which include Ford, Mitsubishi, Nissan, Mazda, Subaru, Mercedes Benz, Lexus, Holden, and BMW.

Apart from providing on-the-spot cash for cars, Car Removals Canberra has also declared its 24/7 free towing services. This includes careful towing of the vehicle that has been sold to the company by its client.

In addition, the company aims to follow the path of sustainability by recycling the components of the cars that it purchases. With that, it has announced the eco-friendly disposal of junk and scrap cars to cut down on carbon emissions.
