Beverly Hills, California Jun 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - Mylani Beauty, a trailblazing beauty brand known for its commitment to natural ingredients and exceptional results, proudly announces the retail expansion of its highly regarded Scalp Care Collection, to its first location inside VAYA Beauty retail store in Washington, DC. Developed by renowned master hairstylist and visionary product innovator, Charlisa Harris, this highly effective collection transforms the way we care for our scalps, emphasizing

the essential role of healthy roots in achieving radiant, beautiful hair.

Healthy hair starts at the root, and Mylani Beauty's Scalp Care Collection aims to nourish and rejuvenate from the foundation up. Harnessing the power of nature, this plant-based range combines cutting-edge science with time-honored botanicals to provide an unparalleled hair care experience.

"Our scalp is the fertile ground where our hair grows, and it deserves the utmost care and attention," says Charlisa Harris, founder of Mylani Beauty. "I've dedicated my career to understanding the intricacies of hair and scalp health, and I'm thrilled to introduce a collection that prioritizes the foundation of luscious, vibrant hair."

Mylani Beauty's Scalp Care Collection features a meticulously crafted lineup of products designed to address a range of scalp concerns while promoting overall hair wellness. The collection includes:

- **Treat Peppermint and Tea Tree Shampoo:** A soothing combination of peppermint & tea tree that relieves itchiness, fights dandruff & seborrhea, and reduces scalp inflammation.
- **Soothe Peppermint and Tea Tree Deep Moisture Conditioner:** Gentle yet effective, ultra-moisturizing, and soothing. The amazing benefits of peppermint and tea tree, infused into one product specially made for your hair and scalp.
- **Soothing Scalp Tonic:** The calming gel helps with itchy, irritated skin on the scalp, hairline, neck or other sensitive areas; and the peppermint oil is like a deep breath of fresh air for your scalp.
- **Good Seed Stimulating Scalp Oil:** Infused with jojoba oil, lemongrass, tea tree, black cumin seed, and Brazilian babassu, to hydrate your scalp. This light oil helps heal and stimulate your scalp while reducing dandruff flakes and irritation from the root.

By focusing on the scalp's health, Mylani Beauty's Scalp Care Collection delivers transformative results, including improved hair growth, enhanced volume, and restored vitality. Each product is carefully formulated with natural ingredients, free from harmful chemicals, sulfates, and parabens, ensuring a gentle yet effective solution for all hair types.

Mylani Beauty's commitment to sustainability is ingrained in every aspect of the Scalp Care Collection and they strictly adhere to cruelty-free practices, never testing on animals.

With the retail expansion of the Scalp Care Collection, Mylani Beauty continues to elevate the beauty industry's standards, blending science, nature, and expertise to redefine hair care. Join us on this transformative journey towards healthier, more radiant hair, starting at the root.
