

ISCPO Announces Protos Security as a Preferred Vendor Partner

PROTOS SECURITY

Dallas, Texas Jun 29, 2023 ([Issuewire.com](https://www.issuewire.com)) - Today, the International Supply Chain Protection Organization (ISCPO) announced that **Protos Security** has joined as the organization's preferred vendor partner as ISCPO continues to support its members and the supply chain security community. The speed of business has exponentially accelerated the supply chain, and ISCPO members rely on a variety of vendors for innovative tools, technology, and services to help them make their departments and flow of goods run effectively. ISCPO remains dedicated to continuously enhancing its variety of vendor solutions, leveraging emerging technologies, and staying at the forefront of industry best practices. By adding Protos Security as a preferred vendor, our members will have access to an integrated suite of physical and innovative security services that utilize a technology-enabled managed services platform.

About **Protos Security**

Protos Security, a portfolio company of Southfield Capital, is a technology-enabled security services

company offering security guarding, off-duty police, monitoring, and device solutions for a wide spectrum of customers across North America. Protos Security prides itself on delivering high-touch service, actionable insights, transparency, and program flexibility for its clients. About International Supply Chain Protection Organization (ISCPO):

The International Supply Chain Protection Organization (ISCPO) is a non-profit professional organization that connects members from across a wide array of sectors—from manufacturing, retail/wholesale/eCommerce, and distribution to risk management, law enforcement/legal, and logistics.

The organization was created in 2014 to promote, educate, and advocate supply chain security and protection through building strong networks and delivering exceptional leadership training, board representation, and industry support. www.iscpo.org
