

ISCPO Announces Tekwave Solutions as a Preferred Vendor Partner

Dallas, Texas Jun 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - Today, the International Supply Chain Protection Organization (ISCPO) announced that Tekwave Solutions will join as the organization's preferred vendor partner as ISCPO continues to support its members and the supply chain security community. The speed of business has exponentially accelerated the supply chain, and ISCPO members rely on a variety of vendors for innovative tools, technology, and services to help them make their departments and flow of goods run effectively. ISCPO remains dedicated to continuously enhancing its variety of vendor solutions, leveraging emerging technologies, and staying at the forefront of industry best practices. By adding Tekwave Solutions as a preferred vendor, our members will have access to emerging technologies such as the Allbox access control and remote guarding applications.
#selfserviceALLBox

About Tekwave Solutions:

Tekwave Solutions is the leading provider of software solutions for gated property access and visitor management systems. Empowering companies to streamline their operations at the gate, enhance efficiency, and safeguard their valuable assets. The Tekwave Solutions' software, TEKControl, provides a cloud-based centralized platform for managing access control, visitor registration, and identity verification, reducing administrative burdens, and improving overall efficiency. TEKControl provides companies with comprehensive reporting and analytics capabilities. Through customizable dashboards and reports, you can gain a deeper understanding of your operations, identify bottlenecks, and make data-driven decisions to optimize resource allocation and enhance overall performance.
