

Junkyard Dog Lends Helping Hand to Deserving Customer

Junkyard Dog continues to exemplify what great local businesses can be for the community

Fort Lauderdale, Florida Jun 26, 2023 ([Issuewire.com](https://www.issuewire.com)) - Junkyard Dog, a premier salvage yard operating out of Fort Lauderdale and Boca Raton, is known for offering great deals to customers looking to make money off their junk cars. The company is known for giving the best customer experience and top [cash offers for junk vehicles](#), regardless of their maker or year of manufacture.

It's always a good day for customers when they reach out to Junkyard Dog to take care of their needs.

A customer reached out one day to sell her junk car to Junkyard Dog, despite needing minor repairs. The customer didn't have the money to repair her car, so they called Junkyard Dog to take care of the car. Junkyard Dog's founder, Karl Moforis, felt terrible for the customer and decided to go one level higher in customer service.

Junkyard Dog decided that this friendly customer needed a helping hand now, and they weren't going to pass it up. They sent the car, a Chrysler Pacifica, to one of their associated auto shops. The Chrysler

Pacific can still be driven reliably but has a leaking thermostat housing and radiator hose. A & S Auto at 4707 SW 51st Street, Davie, FL 33314, fixed the car.

The customer was ecstatic at the gesture of help, and Junkyard Dog was certain that the newly fixed car would provide many more years of service to the customer. This is just one of the many ways an outstanding local business can help make its community a better place to live.

Junkyard Dog has been a junk car buyer and salvage yard since 1991. It has proudly served Fort Lauderdale and nearby areas for many years. It has earned an excellent reputation for offering top cash for junk cars.

The company has always taken pride in accepting virtually any junk vehicle offered to them. On top of being Fort Lauderdale's best auto salvage yard, Junkyard Dog focuses on convenience and always offers the best customer service. Junkyard Dog's team comprises experts who know all the paperwork and requirements for selling a junk car. Should a customer lack the DMV title, the junkyard dog will also go out of its way to assist the customer with the paperwork. This is just another day at work for the efficient and warm staff of Junkyard Dog.

Presently, [Junkyard Dog](#) serves a wide net of local markets for scrapping cars, including West Palm Beach, Coral Springs, Pembroke Pines, Boca Del Mar, Boca Raton, Sunrise, Miramar, Hallandale Beach, and so many more. A customer must call Junkyard Dog and describe the junk vehicle that needs to be scrapped, and the experts at the salvage yard will provide a transparent and accurate quotation.

Steel is one of the primary components of a car; most of its components, including its structure, are composed of steel. As steel requires iron, recycling junk cars generally helps preserve resources.

Available byproducts of metal refining are also prevented, thereby preventing increased air pollution.

Additionally, waste accumulation in landfills is a growing problem. By recycling vehicles, it is possible to decrease the volume of waste and ensure that fewer hazardous chemicals enter the groundwater system, which will irreversibly contaminate the soil.

Does your garage contain a derelict car that is taking up space? You can dispose of that eyesore quickly with the assistance of companies like Junkyard Dog.

[Selling your junk car](#) provides a huge advantage to car owners. These companies can make your life simpler. Consider what you could do with the space a broken-down SUV or car occupies in your driveway or garage.
