The promising rising star of the industry Jusray has released his fresh single 'Way Up' which is a combination of authentic and modern hip-hop music.

Atlanta, Jun 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - Fans of Hip-hop music can rejoice as the rising young star of the music industry, **Jusray** is bringing the taste of authentic hip-hop back. His fresh new single '**Way Up**' is finally out now and it has the potential to become the artist's most streamed track. Released under the label, **JUSRAY ENT**, the song showcases the beyond-belief talent of the artist.

As an independent artist, he has single-handedly looked after the production of the track along with the performance, proving his incredible caliber of handling all aspects.

Music has been the most highlighted thing he has been passionate about, since his childhood. In the long 15 years that he has been connected to the music industry, with back-to-back enjoyable releases, he has gathered an adequate amount of followers who have been supportive of the release. The musical piece '[Way Up](#)' has impressed the listeners mostly with the composition that contains the true essence of hip-hop music. The slow-paced musical composition is perfect to set the mood and is well complemented by the quirky lyrics. The well-written song verses are capable of putting out the expression of the artist and for that Raymond Halfon deserves appreciation. **Jusray's** smooth and confident vocals have added just the required spice to the lyrics and overall production.

You can listen to his previous hits such as 'Bass', 'No Losses', 'Nothing Like Atlanta', 'Vendetta', etc. which are available on [Spotify](#), [SoundCloud](#), [Apple Music](#), and [YouTube](#).
