Mumbai, Maharashtra Jun 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - InTouch Digital Marketing Institute Mumbai, a leading [offline digital marketing institute](#) with headquarters in Mumbai, is currently leading a training revolution in the field of digital marketing that is transforming the way professionals are educated in the

sector. The institute has a strong belief in the significance of offline learning and hands-on experience, and as a result, it provides a wide range of services that are unmatched by its rivals in order to differentiate itself from them.

[InTouch Digital Marketing Institute](#), a leading offline digital marketing institute located in Mumbai, is redefining the standard for excellence in digital marketing education with the amazing programmes and services it provides. A 100% job placement guarantee, hands-on training on real-time projects from Australia, the United States of America, and India, complimentary personality development sessions conducted by experienced trainers from Australia and India, and an exclusive certificate of recommendation from a leading digital marketing agency in Perth, Australia, showcasing students' experience working with Australian clients are among the unique selling points (USPs) offered by the institute.

Because of the exceptional qualities that it possesses, InTouch Digital Institute PVT LTD, which is a renowned offline digital marketing institute and is based in Mumbai, is changing how digital marketing education is received. The institute maintains a deep faith in the efficacy of traditional classroom instruction and encourages students to gain practical experience in order to strengthen their abilities. One of the unique selling points of the institute is that it offers students a comprehensive bundle of services geared towards ensuring their success in the market. These features include assistance with job placement at a 100 percent success rate, practical training on real-time projects from prominent markets such as Australia, the United States of America, and India, personality development sessions directed by renowned trainers from Australia and India at no additional cost, and a prestigious certificate of recommendation from a leading digital marketing agency in Perth, Australia, validating students' expertise with Australian clients.

By providing courses that are unparalleled in the industry, InTouch Digital Institute PVT LTD, a prestigious offline digital marketing institute that is located in Mumbai, is elevating the standard of education for digital marketing. Learning should take place away from digital platforms, since the institute is of the firm belief that this would provide students with a more immersive and hands-on experience. The institute's unique selling propositions (USPs) include a guaranteed job placement programme with a hundred percent success rate, hands-on training on real-time projects from Australia, the United States of America, and India; complimentary personality development sessions led by Australian and Indian trainers; and an exclusive certificate of recommendation from a well-known digital marketing agency in Perth, Australia. Students will have an advantage in the cutthroat world of digital marketing that is unrivalled because to their unique selling propositions.

About IDI: InTouch Digital Institute PVT LTD is a renowned institute for offline digital marketing situated in Mumbai.
