Shenzhen, Guangdong Jun 27, 2023 ([IssueWire.com](https://www.issuewire.com)) - There are various sites for people to subscribe and watch different kinds of videos, but not all of them allow audiences to download videos directly, or support downloading videos quickly in a batch. CleverGet is such a kind of program to support users to download videos, movies, TV shows, and live streams from 1000+ sites in batches with lossless quality at high speed. However, that's not enough. To meet many audiences' demands, Leawo has newly provided [CleverGet 11.0.0.0 version](#), adding ESPN Plus, Tubi, MGS, and Rakuten TV modules so that users can download videos from corresponding sites. The details of upgrade are listed below.

Added [CleverGet ESPN Plus Downloader](#) — Immerse in Sports World with Ads-free ESPN+ Videos

CleverGet ESPN Plus Downloader supports downloading on-demand ESPN+ sports videos or clips to MP4/MKV files in up to 720p quality and 60fps framerate at high speed without quality loss. Meanwhile, it allows users to freely download subtitles and audio tracks contained in source video files and closed captions to independent SRT/SUP files, or pack subtitles into output video. What's more, audiences can download ESPN+ sports videos with no ads via this module.

Added [CleverGet Tubi Downloader](#) — Watch TubiTV Videos Offline with Cinema-like Experience

For people who want to download TV all episodes or seasons of TV series on the Tubi platform, CleverGet Tubi Downloader can help to detect and display all available videos and support a 1-click operation to download them. It also enables users to download Tubi videos at 720p quality to MP4/MKV files at high speed with desired captions, multi-language subtitles, and audio tracks kept.

Added [CleverGet MGS Downloader](#) — Enjoy HD MGS Movies with Stunning Visuals

Unlike other new modules, CleverGet MGS Downloader allows users to download and save MGS videos to MP4/MKV files at up to 1080p resolution with original quality. And it can keep detailed metadata info of source MGStage videos for offline management.

Others:

- Added [CleverGet Rakuten TV Downloader](#) (Main features are similar to CleverGet Tubi Downloader).
- Fixed known bugs.
