

Lokixximo impacts the world with “Vakera” a fusion of Guaracha and Mexican Regional

Urban music is experiencing a new renaissance and among all the artists who have become global stars, there is one who is changing the music scene.

Medellin, Antioquia Jun 14, 2023 ([Issuewire.com](https://www.issuewire.com)) - The latin superstar Lokixximo returns with his new single titled [“Vakera”](#), from time to time an artist arrives with a sound so refreshing and catchy that it impacts the popular taste of Latin music, the song “Vakera” has all the ingredients to climb all the charts Worldwide, nightclub music that transcends race, language and color, the artist [Lokixximo](#) does it

again with the song "Vakera", the song has a saoco and tumbao that promises its place in the lists of top Latin American artists.

"I am very grateful for the great acceptance on radio stations and nightclubs with my new Vakera song, it is a fusion of regional Mexican music and Guaracha house that my producer Co Piloto Da La Orden created, we continue to innovate ideas and create new styles to offer to the fans, and every time I sing this song live the energy of joy in the audience multiplies! Get ready because we will continue to bless you with more music, this upcoming album "Hijo De Nena" is full of future hits and new sounds, it is very special for my career, Lokixximo said in a statement.

In the international media, only the comparisons that have been made are between the new mexican star Peso Pluma and Bad Bunny are talked about, but the tremendous impact that Lokixximo has been giving in the nightclubs in recent months cannot be ignored, his movement can only be compare with artists like Pitbull and Farruko, ten years ago [MTV Tr3's and Ourstage named Lokixximo as the best urban artist in the United States](#), winner of the first prize in the national competition "Dame Un Break", ten years later today he continues to provide new hits to the world, becoming an inspiration for the new generation and an urban legend in the Latin American music scene.

The artist Lokixximo is promoting his latest single "[Vakera](#)" which will be part of his next album "Hijo de Nena" dedicated to his mother who is sick and has been the greatest motivation to continue his career, to the fans who want to see him perform live , the artist is preparing for his next tour in Colombia at the end of August, for more information you can follow his official website and social media networks.
