

Lovely Foundation - An Action Towards Humanity

The Lovely Foundation is a non-profit organization dedicated to supporting the health, medical, and educational needs of underprivileged individuals. Furthermore, the organization is dedicated to protecting mother nature & the environment.

Chandigarh, India Jun 6, 2023 ([Issuewire.com](http://www.Issuewire.com)) - [***Lovely Foundation***](#) is one of the well-known NGOs in Mohali, Punjab. It is a charitable organization that focuses on preserving mankind and takes responsible actions for a better tomorrow. The organization was founded in the month of January 2022 and since then various efforts have been made time-to-time for the upliftment of society and the

environment. This Foundation is the mere reflection of the lifestyle, beliefs, and desires of the Late Mrs. Lovely Kapoor, who was very much drawn to serving humanity and the wellness of every living being.

The main ideology is to maintain a balance between nature and humans. With love, hope, trust, and available resources a warm hand is extended to everyone who needs any kind of help. Besides this, a stress is laid on preserving the environment and efforts are made for the same.

Their main areas of focus include but are not limited to -

Quality Healthcare

Free Education for all

Preserving Environment

Serving nutritional food

Improved Livelihood

What makes them unique is their vision of being a ray of light illuminating mankind with Waheguru ji's principles. They serve everyone in need, and the environment in every way possible. With their continuous efforts, they come forward to save humanity. Various blood donation camps, donation drives, etc., are organized to serve those in need. All this is done as a responsibility towards creating a better future for all. The comprehensive program of the foundation aims at making necessities accessible to those who are deprived of them.

Everyone, no matter if the person is living in rural or urban areas, should be able to enjoy equal rights. Minimizing the gap between accessibility and affordability is the motive behind the initiatives carried out by the foundation. The organization understands the fact that to improve the situation of poverty, all the areas, which includes – healthcare, education, food, wellness & nutrition needs to be worked on.

This initiative of making the world a better place by the Lovely Foundation is really impactful. It not only serves the needy but also motivates others to serve humanity on their ends.
