

Mark Beylin, DPM, FACFAS, a Podiatrist with Merritt Island Foot & Ankle

Get to know Podiatrist Dr. Mark Beylin, who serves patients in Florida.

New York City, New York Jun 14, 2023 ([Issuewire.com](https://www.issuewire.com)) - A board-certified podiatric physician and surgeon, Dr. Beylin is the Owner of Merritt Island Foot & Ankle with offices in Merritt Island and Melbourne, Florida.

Offering patients his medical expertise, Dr. Beylin focuses on all aspects of foot and ankle care and surgery, especially trauma, reconstructive surgery, Charcot surgery, ankle joint replacement surgery, sports medicine, diabetic foot care, pediatrics, and workers' compensation cases.

Having been practicing in Brevard County since 2008, his affiliations include Viera Hospital, Cape Canaveral Hospital, and Rockledge Regional Medical Center.

Academically, Dr. Beylin attended and graduated from the University of Miami with a Bachelor of Arts degree in 1995. After completing his undergraduate studies, he enrolled at Barry University School of Podiatric Medicine where he excelled through the years, earning a spot in the Phi Delta National Honor Society and graduating in the top 10% of his class.

Thereafter, Dr. Beylin did a three-year surgical training at Northwest Medical Center, serving as chief resident for the last two years there. His post-graduate training offered him a great deal of exposure to a vast variety of medical and surgical treatments of the foot, ankle, and lower leg pathology.

Dr. Beylin is one of a few surgeons in Central Florida who is trained in both the In-Bone and STRYKER ankle joint replacement.

Board-certified in foot and ankle surgery, he is a Diplomate of the American Board of Foot and Ankle Surgery (ABFAS). The purpose of the ABFAS is to protect and improve the health and welfare of the public by the advancement of the art and science of podiatric surgery.

A Fellow of the American College of Foot and Ankle Surgeons (FACFAS), Dr. Beylin is also a member of the Florida Podiatric Medical Association, the American Podiatric Medical Association, and the American Podiatric Practice Management Association.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremities. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremities. They can treat injuries and complications from ongoing health issues like diabetes.

Attributing his success to working hard and being available 24/7 for his patients, Dr. Beylin's knowledge, hard work, experience, care, and dedication have earned him great respect from his patients and peers.

In his free time, he enjoys fishing and spending time with his daughter.
