

Mark Causby, Recognized by BestAgents.us as a 2023 Top Agent

With a keen eye for real estate, Mark only wants what is best for his clients.

New York City, New York Dec 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - Mark is a real estate broker with Coldwell Banker Newton Real Estate in Morganton, North Carolina.

He has an edge over competitors in serving home buyers and sellers in the area, representing their best interest from negotiations to contract execution. He handles every aspect of the real estate transaction,

efficiently and ethically. He currently holds certification as an ABR (Accredited Buyers Representative) and an SRS (Seller Representative Specialist).

Having had a strong work ethic since he was young, it is very rewarding for Mark to get people into a home. And as for his sellers, he loves to hand deliver a big check and see his clients' faces.

A native North Carolinian who has lived his whole life where he lists and sells homes, Mark has deep ties to the community and understands the importance of promoting not only houses but himself. His greatest strength is being able to deal with different people in different circumstances and with different needs, while assessing them quickly and efficiently.

Mark feels that real estate is about much more than the walls and the roof of a home, it is knowing how a community lives. He considers Morganton a wonderful place to call home, where he eats in the restaurants, hikes in the mountains, and fishes in the rivers.

Dedicating his time to the active community (with a vibrant downtown with Friday concerts) and to the non-profits in the area, he is a member of the Burke County Chamber of Commerce and the Morganton Downtown Development Association.
