

Milano x Kezzy Treats Fans with a Breakthrough Music Video of 'VOYVOY'

Milano has never been afraid to push boundaries and the newest collaboration Milano x Kezzy on the official music video of 'VOYVOY' is as impressive as ever!

Worcester, Jun 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - MILANO THE GREAT is one promising artist in the industry that has always expressed his creative and artistic talent by experimenting with new sounds and techniques. He has recently collaborated with another young talent that resulted in the musical duo, **Milano x Kezzy**, and both artists came up with a banging new track. The official music video of ['VOYVOY'](#) has been released on YouTube where the artists have taken a whole new approach to the hip-hop musical genre. The electronic beats and modern sounds on the track capture the real nature of the artistic genius. In the music video, the stronger-than-ever presence and consistent creative expressions are worth the watch. The culmination of some of the new sounds and electronic beats, mixed with the incredible and versatile talent of the artist has birthed an enlivening track that is bound to top the charts. Both artists have given exceptional performances, which are extremely catchy and

take the video to a whole new level.

From start to end, throughout the entire composition, the song gives off a happy and fun vibe that is blended quite excitingly with the ever-enchanted hip-hop musical genre. The hook of the track along with its vibe is enough to attract the audience, and now on top of that, the music video creates an impressive charm in the audience. Released just a few days ago, the music video of **'VOYVOY'** has already gathered more than 2k views on the platform. The visuals roam around both the artists and are kept extremely simple to give the real essence of the track priority. The video is focused on both artists in hoodies and jeans, carrying cash with big chains as accessories which represent hip-hop culture. On top of that, the shooting is done in cars, petrol pumps, and parking lots, maintaining the authenticity of the music.

The song is equally catchy, carries the authentic essence of hip-hop music, and features zestful musical beats. **Milano x Kezzy** is a collaboration that brings out the true talent of both artists with their exceptional hooks. The lyrics are quirky and go atypically well with the composition. On top of that, the powerful yet enjoyable vocals give the track a unique touch. You can watch the video on YouTube along with previous releases, 'Milano The Great -NO INTRODUCTION FREESTYLE (Shot by. JetPackTV)', 'Jnr Choi, Milano The Great - TO THE MOON (Official Video)', 'Milano The Great - I AM HIM (In Studio Performance)', etc. Follow him on [Spotify](#), [Apple Music](#), [Instagram](#), and [Twitter](#).
