

Nick Ray Joins "Stone Cottage Studios" For Live Artist Session in Boulder, CO

Birmingham, Alabama Jun 22, 2023 ([Issuewire.com](https://www.issuewire.com)) - **NICK RAY.... *Performing Artist, Producer, Recording Artist, and Singer-Songwriter*** was recently invited to be a Featured Guest Performer at the amazing “**Stone Cottage Studios**” in Boulder, Colorado. Once the arrangements were established between these exceptional producers and production staff, Ray and his Publicist Vicki Johnson made the journey from Birmingham, AL. to be a part of this inspiring connection of the minds

and music! Everything from pre-production to camera ready was nothing less than state-of-the-art. The showmanship speaks volumes.

Stone Cottage Studios support and promote not only local and regional musicians, but host nationally recognized acts as well. These professionals produce pro audio recording and video production on a cinematic level, which breathes life into the works of their featured artists. Each talent is given center stage to elaborate and showcase their gifts to a broad audience of listening ears. Johnson quoted; “There was an atmosphere at the cottage studios that allowed my artist to feel a comfort and memorable opportunity in expressing his art. The experience was warm and inviting for all involved.” We are still humbled by the hospitality.

Under the category of “*Artist Sessions*,” Ray was brought into the spotlight by sharing his talents with this commendable group of creators at a live event. The session began with an interview involving a question-an-answer discovery of the performer’s history, then lead into the created ambience surrounding the studio and its cast and crew. Everything was built around a perfectly organized setting, where Ray weaved his words in passionate delivery, his guitar sang to his rhythm, and his voice told the story of each of the three songs he recently composed. With a catalog of over 60+ original compositions and a resume with noted accolades, this artist stated; “I am filled with gratitude to publicly share for the very first time my songs “Hurricane,” “That Girl,” and “Homeless Man” with such an incredible production crew. This is one for the books!”

Described being a host as “Musicians, Songwriters, Audio Engineers, and Filmmakers; to learn more about Stone Cottage Studios and what they have to offer, you can visit their website at:
