

“Openhagen Redefines Success: From Niche Brand to Global Leader in premium Music Accessories in Just 12 Months”

“Discover how Openhagen’s innovative products and unwavering dedication have propelled it to become a global leader in the premium music accessory industry within a short timeframe”

New York City, New York Jun 9, 2023 ([Issuewire.com](https://www.issuewire.com)) - Openhagen, the premium Danish brand renowned for its commitment to music and design, celebrates the first anniversary of its groundbreaking HangWithMe guitar while proudly introducing its newest addition, the HangWithMe Ukulele. Designed in collaboration with Danish designers [HarritSorensen](#), this exciting milestone marks a double celebration for Openhagen, which has quickly established itself as a leading force in the industry. And that’s not all—this versatile little wonder isn’t just for ukuleles; it’s a match made in musical heaven for mandolins and banjos too. Talk about a triple threat!

Carsten Hoelstad, Sales executive, Openhagen said, “There is a big hole in the market for functional design” Openhagen’s success story stems from its dedication to creating beautiful and functional products that seamlessly integrate into every musician’s lifestyle. Under the visionary leadership of CEO [Muri](#), Openhagen continues to redefine the way musicians express themselves through sound and style.

The brand’s mission to bring more music and tranquility to people’s lives and homes is elegantly

captured in its slogan, “Set the tone of your home.” **Muri** proudly states, “Set the tone of your home just like how you set the tone of your strings!

David Hald, Business Developer said, “We have created a new category: interior design for instruments.” Copenhagen believes that your passion should be displayed by adding a touch of luxury to your music-loving home. It’s time to rock out, embrace your inner rockstar, and let the music take you on a wild ride.”

Copenhagen’s exceptional growth and dedication to enhancing the musical experience have garnered attention from major media outlets. With their unique blend of functionality, luxury, and Scandinavian charm, Copenhagen’s products have become the talk of the town among musicians and design enthusiasts alike.
