

Patrice Henderson, Recognized by BestAgents.us as a 2023 Top Agent

Creative, productive, and highly knowledgeable in her craft, Patrice has sold multi-millions worth of real estate!

New York City, New York Jun 19, 2023 ([IssueWire.com](https://www.IssueWire.com)) - A woman of many titles in the real estate industry, Patrice is a Certified Waterfront Specialist, a Certified Real Estate Negotiator, an Accredited Buyer's Representative, and a Certified Probate Specialist.

Giving clients the world class service they deserve, she is a Licensed Realtor & your "styled" Associate Broker with Max Broock Realtors in West Bloomfield Township, Michigan. Patrice enjoys helping home buyers and sellers achieve their real estate goals and finding ways to overcome any challenges throughout the process.

With her unique marketing plan for luxury homes, including intricate home tour videos that excite buyers to purchase her clients' homes, smart floor plans and so much more, she is able to help her clients net the most money from the sale of their homes.

Likewise, Patrice is the Principal Associate Broker, Director of Sales and Marketing & Private Money Lender at Designed Living Real Estate, LLC in Farmington Hills. She views it as her responsibility to provide her expertise and knowledge to guide clients to making the best decision as it relates to selling their current home and/or finding their new home and being compensated for her efforts as a result; not to pressure them into buying something they really don't want or accepting an offer that is unacceptable for the value of the home.

Academically, Patrice earned her Associate of Applied Science degree in Advertising and Marketing Communications from the Fashion Institute of Technology in New York in 2010. In addition, she obtained her Bachelor of Science degree in Apparel Merchandising and Product Development from Bowling Green State University in Ohio in 2011.

Known for getting deals closed, Patrice has worked in sales for over a decade and has been in the real estate profession since 2015. She has found that integrity has been the foundation to success, creating long lasting relationships with clients, and a purpose for doing what she does.

Passionate about her work, Patrice has several certifications with Leading Real Estate Companies of the World, including agent team leader, marketing specialist, target marketing specialist, sales specialist, and service specialist.

On a professional level, she is an active member of the Women's Council of Realtors, Michigan Real Estate Investors Association, and Friendship Circle community work.

Self-determined, focused, and committed, Patrice has faced several hardships in life that have prepared her to strive for success. She credits her accomplishments to her parents, who instilled in her the importance of seeking growth opportunities.

Her work has been featured in various publications such as West Bloomfield City Lifestyle Magazine, Top Agent Magazine, Haven Magazine, and Real Producers of Oakland County. Patrice has authored three books on love, health, and personal style, and is currently working on her fourth book on sales and real estate, donating 10% of each book's proceeds to charity.

Among her numerous accolades include the Max Broock Gold Award in 2019 and 2021, the Max Broock President's Council of Excellence Award in 2020, the Max Broock President's Council of Excellence Diamond Award in 2022, the Home Snap Top 15% in 2022, and the HomeSuite Star Award

in 2022.

Outside of work, Patrice enjoys reading, writing, doing yoga, spending time with great people, and self-development.
