

Pellican Cars: Offering Round-the-Clock Taxi, Minicab, and Airport Transfer Services in London

Unrivalled Transport Services: Pellican Cars to Operate 24/7 in London, Serving All Major Airports, Sea Ports, and Train Stations

London, England Jun 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - Pellican Cars, an established provider of transport services, announces its 24/7 operation schedule, providing taxi, minicab, and cab services in London and beyond. The company specialises in airport transfers, serving all major airports across London and ensuring customers' journeys are stress-free, efficient, and comfortable.

The company's airport transfer services cover [London City Airport \(E16\)](#), [London Gatwick Airport \(RH6\)](#), [London Heathrow Airport \(TW6\)](#), London Luton Airport (LU2), London Southend Airport (SS2), and London Stansted Airport (LU2).

A spokesperson for Pellican Cars stated, "Our goal is to ensure that travellers can move conveniently and punctually, whether they're flying in or out of London. We know the importance of time when it comes to catching a flight, and that's why we are committed to providing reliable and punctual services."

Alongside its airport transfer services, Pellican Cars also provides transport to and from major seaports, including the Port of Dover (CT17), Harwich International Port (CO12), Portsmouth International Port (PO2), and the Port of Southampton (SO14).

Moreover, Pellican Cars ensures timely and convenient transfers to London's top 10 train stations, catering to passengers travelling to major cities such as Manchester, Birmingham, Liverpool, Leeds, Sheffield, Bristol, Nottingham, Leicester, Newcastle, and Southampton.

In addition, the company provides its exceptional services across the 20 biggest cities in London, including Westminster, Camden, Islington, Hackney, Tower Hamlets, Greenwich, Lewisham, Southwark, Lambeth, Wandsworth, Hammersmith, Kensington, Chelsea, Fulham, Richmond, Kingston,

Merton, Sutton, Croydon, and Bromley.

"Peliccan Cars is committed to providing a transportation experience that caters to the comfort, convenience, and safety of our customers, whether they're heading for a short inner-city trip or a long-distance journey," Mustafa
