

Successful SaaS founders Brings SendBuzz, an Outreach Tool for Small Businesses

The screenshot displays the SendBuzz web application interface. On the left is a dark blue sidebar with navigation links: Dashboard, Campaigns, Tasks, Contacts (highlighted), Prospects, Triggers, Organization, and Settings. The main content area is titled 'Product Roadmap' and 'Contacts'. It shows a table of 200 contacts, with columns for Name, Campaign, Status, Source, Primary Email, and Action. The table lists several contacts with their associated campaigns and status. For example, Kaitlyn Dudley is associated with 'Exclusive Black Friday deals' and has a 'Reviewed' status. The interface also includes a search bar, a filter dropdown, and a pagination control at the bottom.
