

Thatiana Jeune, MSN, APRN, PNP-BC, a Pediatric Nurse Practitioner

Get to know Pediatric Nurse Practitioner, Thatiana Jeune, who serves patients in Dorchester, Massachusetts.

New York City, New York Jun 13, 2023 ([Issuewire.com](https://www.issuewire.com)) - Thatiana is a certified pediatric nurse practitioner currently tending to patients in Dorchester, Massachusetts.

Educated in the United States, she graduated with her Bachelor of Science in Nursing degree from

Regis College in 2017, before receiving her Master of Science in Nursing degree from the same educational venue in 2022.

Professionally, Thatiana is an active member of the National Association of Pediatric Nurse Practitioners, and Melanin Medicine a support network for people of color in helping professions.

On a more personal note, she attributes her success to her love for nursing, especially in the realm of pediatric care, her unwavering availability to patients, and her education.

A Certified Pediatric Nurse Practitioner - Primary Care (CPNP-PC) is a nurse practitioner who provides compassionate and high quality care to children of all ages, ranging from birth up to the age of 21. They work in a variety of settings, including health care clinics and physician offices, and help prevent disease, promote health, and educate family members on plans of care. Specific services they may provide, include: childhood immunizations, developmental screenings, medication prescriptions in some states (depending upon law), school physicals, treatment of common illnesses, and well-child exams. They work hand-in-hand with pediatricians and other healthcare providers.
