

Vacbagz & The Bottom Feeder announce Partnership

Vacbagz.com Manufacture of fine mesh debris bags for ALL professional battery operated pool vacuums. Announces a partnership with The Bottom Feeder Professional Grade Battery Powered Vacuums.

Los Angeles, California Jun 4, 2023 ([Issuewire.com](https://www.issuewire.com)) - VacBagz and TheBottomFeeder Announce Strategic Partnership to Revolutionize Pool Maintenance

In a groundbreaking move for the swimming pool service industry, VacBagz, an established supplier of high-quality debris bags, has the pleasure of announcing a partnership with TheBottomFeeder, an industry powerhouse. This alliance is poised to enhance the capabilities of professional pool technicians while increasing their profits.

Known for its commitment to innovation, VacBagz offers debris bags compatible with the top four battery-operated vacuums in the industry. This collaboration with TheBottomFeeder reflects a shared dedication to equipping pool professionals with user-friendly, reliable, and high-quality tools.

VacBagz's exclusive products have already earned the praise of many satisfied customers. Here's one of them: "Hello Gary, the bags are working great! Best of the best!" Such positive feedback resonates with VacBagz's unwavering focus on quality and customer satisfaction.

The collaboration will offer added value to their customer base. It lays grounds for industry transformation, with a shared vision of delivering exceptional products that streamline pool cleaning and enhance the performance of professional pool technicians.

A representative of TheBottomFeeder, Glen Heffernan Owner, shares, "Used at every pool, every time, even for spot cleaning, it's great to have a partner like VacBagz that shares our vision of creating quality. That's why we decided to make VacBagz the standard debris bag for The Bottom Feeder."

VacBagz is dedicated to nurturing lifelong customer relationships, and this collaboration is a significant step towards meeting the needs of pool professionals even more comprehensively. This partnership is a tremendous opportunity for VacBagz to expand its industry footprint, reaching a broader customer base within the pool maintenance market.
