About JUMP RHYTHM®

Jump Rhythm® is an Emmy®-Award-winning theatre company founded in 1990 by Billy Siegenfeld and based in Chicago.

Jump Rhythm® focuses on making theatre out of primal human behavior. By using raw physical and emotional energy as fuel, its performances turn movement, song, and speech into stories that laugh, cry, and rant about our species' most pervasive condition: believing that we don't have enough; tampering with Mother Nature to get more than enough; then learning to accept that what we already have is enough.

FORTITUDE ~~OR~~ AND GENTLENESS springs from this idea – that having less CAN be more – or, as the Rolling Stones put it in their iconic song: "You can't always get what you want."

Music Rights Disclaimer

Out of respect and admiration of all other artists, Jump Rhythm® is actively pursuing the usage rights for all songs used in the play.
