

A2Z Medicals & Surgicals to Launch Master Franchise Opportunities in South India.

A2Z Medicals & Surgicals, a trusted retail chain pharmacy brand in India, today announced that it will be launching master franchise opportunities in South India.

Hyderabad, Telangana Jul 24, 2023 ([Issuewire.com](https://www.issuewire.com)) - A2Z Medicals & Surgicals to Launch Master Franchise Opportunities in Karnataka, Kerala, Tamilnadu, Andhra Pradesh & Telangana

A2Z Medicals & Surgicals, a trusted retail chain pharmacy/medical store brand in India, today announced that it will be launching master franchise opportunities in Karnataka, Kerala, Tamilnadu, Andhra Pradesh & Telangana. The company is looking for investors who are interested in a no-loss and recession-proof business with a good scope in the country.

“We are excited to launch our master franchise opportunities in these five states,” said Dr. Chiranjeevi Banoth, founder of A2Z Medicals & Surgicals. “We believe that the pharmacy business has a bright future in India, and we are confident that our brand can help investors achieve success.”

A2Z Medicals & Surgicals offers a variety of benefits to its master franchisees, including:

- A proven business model with over 89 stores in operation across 3 states.
- A wide range of products and services
- A strong brand name and reputation
- Ongoing training and support

“We are looking for investors who are passionate about the pharmacy business and who are committed to providing excellent customer service,” said Dr. Banoth. “If you are looking for a profitable and recession-proof business opportunity, then we encourage you to learn more about our master franchise opportunities.”
