Why is [Prof. DRM Media Pack](#) the perfect solution when customers want to remove DRM protection? Whether people plan to enjoy Spotify music offline or just treat themselves to cozy e-book reading time during afternoon-tea, they can all find a good solution with Prof. DRM. With Leawo [Prof. DRM Media Pack](#), they can enjoy the benefits as below:

- No connection errors

The DRM-protected doesn't work as well as expected. Many people reported integration errors, such as connection failure, or the feature simply doesn't work, etc. For example, with Leawo Prof. DRM Media Pack, they can successfully download iTunes music as local files and share them with their friends easily and quickly. They don't have to worry about connectivity issues anymore! It means that you can [play Apple Music on Bose SoundTouch](#) and even [add iTunes music to Snapchat story](#).

- Keep DRM-protected file forever

Leawo Prof. DRM Media Pack provides a solution for removing the copyright protection (DRM) from media files such as iTunes music, video, audiobook, Amazon Audible audiobooks, and Spotify music. This software also allows users to convert and download media files in any format they desire. Additionally, users who cancel their subscription to these paid services can keep their downloaded media as local files with the help of Leawo.
