

# Avail Education in Foreign Countries with the Assistance of MR GOOO

A Bangladeshi travel vlogger in France.

**Bordeaux, Gironde Jul 24, 2023 ([Issuewire.com](https://www.issuewire.com))** - Faisal Ahmmed, widely known as MR GOOO is helping everyone to get the right education in foreign countries. He is an educational and visa consultant along with being a travel vlogger. He hails from Bangladesh currently resides in France and is a Ph.D. candidate at the University of Bordeaux, France. He is a student in a foreign country and has gotten the privilege of advanced education, which is why he is trying to provide this kind of advantage to everyone else's too. Education is one of the most important things in life, which can build a person's career and help them to grow. That is why, he is trying to provide his guidance to people as an educational consultant.

With this initiative, he has assisted many students in pursuing education in foreign colleges. And it is also coming to know that, with his help, a lot of students have gotten the chance to go to renowned colleges in foreign countries. [MR GOOO](#) is trying every possible way to reach out to those students who don't have enough exposure to education. For that reason, he has built his organization to assist all the students. With his outstanding initiative, this proficient entrepreneur is making it easier to pursue higher

education for all. Therefore, it can be said that in the future he will continue his work and assist more students. Reach out to him on [Facebook](#) and his website to get a clear idea regarding the complete procedure of education in foreign countries.
