

Caleedo - Digitizing Possibilities Appoints Mr. Vikas Saxena as New CEO

Gurgaon, Haryana Jul 11, 2023 ([IssueWire.com](https://www.issuewire.com)) - [Caleedo-Digitizing Possibilities](#), a disruptive award-winning B2B PropTech and Workplace Tech company, is delighted to announce Vikas Saxena as its new CEO, effective June 2023.

With over 25 years of extensive domestic and international experience, Vikas brings a wealth of industry knowledge to lead the business and navigate the next level of growth in Caleedo. Vikas is an accomplished professional and has served in senior leadership roles at renowned businesses such as Honeywell, Johnson Controls, G4S, Ceasefire, and Mustafa Sultan Enterprises, Oman.

Vikas is a graduate Mechanical Engineer from Jamia Millia Islamia, Delhi, and an MBA from Xavier Institute of Management, Bhubaneswar. Vikas is widely recognized for his passion for driving growth and is an accomplished turnaround specialist. A champion of change management and an avid technology enthusiast, Vikas has a proven ability to build strong governance and people practices in multicultural environments.

"We are delighted to welcome Vikas to the Caleedo family and are confident that under his leadership, Caleedo will be able to actualize the purpose, vision, and mission of the business & grow profitably" said Mr. Parikshit Roy and Mr. Arabinda Chakraborty, Co-Founders at Caleedo - Digitizing Possibilities.

Vikas shared his excitement about assuming the new role and said, "I am deeply honored to take charge of the business at Caleedo - Digitizing Possibilities. Caleedo is in an exciting phase of its growth and scaling journey and I am eagerly looking forward to collaborating with our exceptional team to propel our growth and enhance the value we provide to our customers."

Caleedo is a young B2B category-defining PropTech and Workplace Tech SaaS solutions company that is revolutionizing the management of workplaces and built environments through the integration of ESG, sustainability, and smart workplace solutions. With headquarters in the NCR and an office in Bangalore, Caleedo has established a strong presence in major Indian metro cities. Recently, the company expanded its reach in UAE and other GCC countries through strategic partnerships and has plans to launch its solutions in selected APAC countries next year.
