

Campus 365 integrates Pocket HRMS to evolve into a Complete School & Staff Solution

Mumbai, Maharashtra Jul 3, 2023 ([Issuewire.com](https://www.issuewire.com)) - Pocket HRMS, the leading AI-based cloud Payroll and [HR software in India](#), announced its strategic partnership with Campus 365, the ultimate school ERP software. This partnership makes Campus 365 the first school ERP in India to provide a comprehensive ERP solution along with advanced HRMS features. Being a complete school ERP, Campus 365 already has all features required by schools to manage their students effectively; while Pocket HRMS will be complementing their existing employee management features with future-ready modules.

[Campus 365](#) users will benefit from this partnership as Pocket HRMS brings a whole new realm of AI-enabled 'smHRt' features, that provides an engaging experience to the school staff while enabling their HR to undertake their tasks efficiently. With the help of AI and machine learning-enabled modules such as smHRty chatbot and smHRt payroll, clients of Campus 365 can empower their HR teams with enhanced productivity. Pocket HRMS also has integrations with popular platforms like WhatsApp to further enhance its usability and adaptability, making the experience highly intuitive for non-tech-savvy employees too.

"Pocket HRMS provides an unparalleled experience to the HRs and the employees as it uses AI effectively to address their pain points. With the help of simplified tools like the smart chatbot, or geofencing and facial recognition-based attendance, our software streamlines the daily work of HR, while keeping the staff engaged with their schools. Being a cloud-based solution, our system can also be scaled and customized to the school, making it easier and cost-effective for implementing and enhancing their teaching and non-teaching staff management," said Mr. Jitendra Somani, CEO of Pocket HRMS.

Benefits of the Partnership

- Single Application for both ERP and HRMS
- Simplified Familiar User Interface
- Enhanced Clientele Support
- Increased Staff Engagement
- Round-the-clock Remote Access

"Cultivating partnerships is about building bridges, not walls. As we align with Pocket HRMS, we are not just integrating systems, we are connecting visions. Together, we can redefine the future of HR management for Schools, Colleges, and Universities, by setting new industry standards for innovation and efficiency. Here's to a shared journey towards excellence." stated Mr. Mayank Singh, CEO and Founder of Campus 365.

"This partnership is strategic for both Campus 365 and Pocket HRMS since it makes Campus 365 the first school ERP system in India to provide advanced HRMS services to schools and other educational institutions along with a feature-rich ERP. With Pocket HRMS integration, Campus 365 users can enjoy streamlined HR processes, enhanced data security, and overall peace of mind with automated compliances. While Pocket HRMS has always enabled the HR to empower their employees, we are exploring new avenues via partnerships to further enhance our reach to truly embrace our aim of Digital Bharat 2.0" added Mr. Kumar Siddhartha, MD of Pocket HRMS.

About Pocket HRMS

Established almost two decades ago, Pocket HRMS is a leading HRMS software in India. Its core values are, ensuring the best in customer service, cost-effectiveness, and robust module offerings. The latest update has incorporated an improved AI-based attendance system and an AI chatbot - smHRty, that can interact with employees to apply for leaves, answer queries, and more. Additionally, Pocket HRMS offers HRs a unique global look at their database with smHRt searchHR, a unique implementation of its kind in the HR domain.

About Campus 365

As pioneers in smart education technology, Campus 365 continuously acquires and spreads the most current information and practical advice regarding emerging technologies and their uses. Campus 365 was originally created to enable academic institutions to automate their operations, manage their data, gain practical insights into everyday operations, and manage all their resources. Currently, Campus 365 is a one-stop solution for institutions, and in our experience, each of these institutions finds a variety of uses for Campus 365.
