

Cloudologic Partners with CertNexus to Offer Emerging Tech Training

Cloudologic Consulting Private Limited has partnered with CertNexus to offer its customers world-class IT certifications. CertNexus is a leading provider of IT certification programs.

New Delhi, Delhi Jul 24, 2023 ([Issuewire.com](https://www.issuewire.com)) - Cloudologic Consulting Private Limited is pleased to announce our new partnership with CertNexus. This partnership will allow us to offer our customers the opportunity to earn world-class certification programs from CertNexus, a leading provider of IT certification programs.

The cloud services and IT industries are continuing to grow rapidly, driven by the adoption of cloud-based solutions and the growth of new technologies. Businesses that invest in training and upskilling their employees will be well-positioned to succeed in this growing market.

The growth of cloud services is transforming the IT industry, and businesses that embrace this transformation will be well-positioned to succeed in the years to come. As the demand for skilled workers who can design, deploy, and manage cloud-based solutions increases, businesses that invest in training and upskilling their employees will be able to attract and retain the best talent.

At Cloudologic, we strive in helping business grow, and our vision is

“Supporting innovation and learning through technology.”

We are committed to helping our customers succeed. We specialize in delivering comprehensive solutions, including Cloud Consulting, Managed Services, Microsoft Solutions, Cyber Security Services, and Learning and Mentoring Services which cater to the unique requirements of businesses across various industries.

We believe that success is a team effort, and we are dedicated to working with our customers to create a win-win situation. We are passionate about technology, and always looking for new ways to help our customers leverage technology to their advantage while focusing on their business goals.

“We’re thrilled to have Cloudologic Consulting Private Limited as our newest Authorized Training Partner,” said Jeff Felice, President, CertNexus.

“We’ve developed courses, certifications, and micro-credentials that offer standardizations in the world of emerging technologies, and the fact that Cloudologic Consulting Private Limited. has expanded their

offerings to include our courses further exemplifies the necessity to certify such skills. We're excited to join forces and support their ability to deliver the latest, high-stakes emerging tech training and certifications to the businesses they serve."

About CertNexus

CertNexus is a vendor-neutral certification body, providing emerging technology certifications and micro-credentials for Business, Data, Development, IT, and Security professionals. CertNexus' mission is to assist in closing the emerging tech global skills gap while providing individuals with a path towards establishing rewarding careers in Artificial Intelligence (AI), Data Science, Data Ethics, Internet of Things (IoT), and Cybersecurity.
