

Embassy Whitefield Bangalore: An Enchanting Upcoming Residential Haven Unveiled

Embassy Whitefield is a New Launch Residential Place in Bangalore

Bengaluru, Karnataka Jul 24, 2023 ([IssueWire.com](https://www.issuewire.com)) - Embassy Group, a renowned real estate developer, is delighted to announce the launch of its upcoming residential masterpiece, Embassy Whitefield. Located in the affluent suburb of Whitefield, Bangalore, this attractive development is spread across four lush green acres. It promises to provide a harmonious blend of modern luxuries and serene living to its valued residents.

Embassy Whitefield will feature a thoughtfully designed community of 350 exquisite units, each crafted to cater to the discerning tastes of urban homebuyers. Every aspect of these homes has been meticulously planned to ensure an unparalleled living experience, where comfort meets sophistication.

"We are delighted to introduce a new benchmark for excellence in the world of living with Whitefield Embassy. Our commitment to innovation and quality is reflected in every detail of this project. Whitefield

Embassy is much more than just an extension. Our vision is to create spaces that inspire and nurture the dreams of our valued guests." Embassy Whitefield has a wide selection of unit types with a starting price range of 1.2 Crores to fit the particular preferences and requirements of homeowners, ensuring that the goal of having an opulent home becomes a reality for many.

Embassy Whitefield is ideally situated for working professionals, families, and investors alike, with quick access to important IT parks, educational institutions, healthcare facilities, shopping hubs, and recreational facilities. The Embassy Group has established a reputation as one of India's top real estate developers because to their dedication to producing top-notch residential developments that are distinguished by excellent craftsmanship and adherence to international standards. They are about to begin a new illustrious chapter with Embassy Whitefield.

Embassy Whitefield offers a wide range of first-class amenities, including landscaped gardens, a clubhouse, swimming pool, fitness center, children's playground and much more. The eco-friendly design of the project ensures a sustainable and eco-conscious lifestyle for its residents. The property is currently in the planning stage and construction is expected to begin soon. Home buyers and investors are eager to be a part of this prestigious residential complex.

About Embassy Group:

Under the direction of Group Chairman and Managing Director Jitu Virwani, the Embassy Group, a prominent real estate development company, began operations in 1993. The company owns a sizable land bank totaling more than 1,700 acres across the nation and has built 66 million square feet of commercial, residential, retail, hospitality, services, and industrial warehouse space. The company has created more than 30 million square feet of operational and future development in addition to more than 15 million square feet of residential properties over the previous three decades. These initiatives are part of the organization's efforts to develop a sustainable environment and are intended to obtain the IGBC Green Home Gold rating.
