

Evelyn Setubal: The Entrepreneurial Spirit of Mallorca Unveils a Digital Marketing Course

Digital Mastery, and Unyielding Ambition

Palma, Balears Jul 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - Evelyn Setubal's story is not just one of entrepreneurial success, but also a tale of adaptability, continuous learning, and bridging two vibrant cultures: Brazil and Spain. Today, she is poised to give back by launching a comprehensive digital marketing course, sharing her wealth of knowledge with budding entrepreneurs and marketers.

Born in Brazil and finding her second home in Mallorca at the tender age of 13, Evelyn's narrative resonates with those who've navigated different cultures and faced the challenges of adapting to new environments. Early on, her spirit of entrepreneurship was evident. Starting with a unique door-to-door beauty service in her teens, she traversed diverse professional landscapes, from sales to the hospitality sector, before discovering her true calling: digital marketing.

It was during her tenure as the Team Leader for the Brazilian team for SEO in a distinguished company that Evelyn's prowess in digital marketing truly blossomed. Choosing to step outside the corporate world, she embraced the freelance realm, establishing her footprint and later founding her own digital marketing agency.

But Evelyn's journey is more than a series of ventures. It's about connection, growth, and the constant quest for knowledge. "Every transition, every challenge, was an opportunity to learn and connect deeper with my roots and my adopted home," she reflects. "Digital marketing became a canvas where I could paint my experiences and drive innovation."

Now, Evelyn is set to unveil her latest endeavor: a comprehensive digital marketing course. Drawing from her rich experiences and expertise, this course aims to empower the next generation of digital marketers, providing them with the tools and insights required to thrive in an ever-evolving digital landscape.

Her story, filled with ups and downs, passion, and continuous evolution, serves as a testament to the fact that with determination, one can not only adapt and grow but also inspire and elevate others.
