

Fall in Love with ‘London’ In an Unhackeyened Way with Recertified Teenager’s Newest Single

Recertified Teenager is making everyone see the swinging city in a new light through his magnificent single ‘London’. The single is now out on SoundCloud.

London, Jul 7, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Versatility makes artists work on different subjects and themes and this is exactly what the incredibly talented artist, **Recertified Teenager** is offering with his newest single. After previously working on religious aspects and gospel, the artist is now expanding his territory with his fresh musical creation that is focused on the capital of the United Kingdom. His song, '[London](#)' is based on the city and what it offers to its people. The composition has the authentic essence of R&B and Soul music that makes the subject much richer, and the track much more captivating. The artist was inspired by how the city was ranked as the best city to visit by the New York Times and presented the glory in his own musical way. The song also captures the city in a way that has never been done before, proving the artist's talent and caliber.

The musical composition derived elements from R&B and Soul musical genres that features extensive vocal threads of melody and lyrical depth, elevating the track to a whole new level. '**London**' is about how the city is one of the most famous cities that has become a popular tourist destination for its historic landmarks, multicultural flavor, art exhibitions, food, and drinks. This image is clearly portrayed in the lyrics of the track which is accompanied by rhythmic and smooth R&B and Soul music. **Recertified Teenager** has outdone himself in this track, not just with its composition and lyrics but also with his impressive vocals. The voice of the artist is the soul of the musical creation which makes it catchy and captivating. The entire ambiance that the track creates is enjoyable and leaves room for the listeners' imagination.

The track is a part of his latest E.P '**Spices of life**' which includes other tracks like '**Don't Diss Me**', '**One Life-One Shot**', '**Words Alone Cannot Describe You**', '**Limitless**', and '**Its My Life**'. The tracks are available on [SoundCloud](#) and [YouTube](#).
