Get to know Cosmetic and General Dentist Dr. Farzin Kohanfarsi, who serves patients in Woodland Hills, California and surrounding areas!

New York City, New York Jul 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - A skilled dentist, Dr. Kohanfarsi works with

patients at his private practice - Diamond Dental Spa - a modern dental office in Woodland Hills, California that is environmentally friendly and embraces the latest advancements in dental technology. He and his dedicated team are eager to provide exceptional dental care to both existing and new patients.

Pertaining to his educational pursuits, he earned his dental degree from the prestigious University of Southern California Ostrow School of Dentistry, a renowned institution for dental education. Prior to his dental studies, he pursued his passion for understanding the human mind by studying Psychology as an undergraduate at UCLA.

With a strong foundation in both dental and psychological sciences, Dr. Kohanfarsi developed a profound appreciation for the impact that dentistry can have on a person's self-confidence, overall outlook on life, and even their relationships. His unwavering commitment to his craft led him to specialize in cosmetic dental services, where he can witness firsthand the transformative power of a beautiful smile.

After completing his dental education, he worked as an associate dentist in Woodland Hills, where he had the privilege of learning from some of the most respected dentists in Los Angeles. This invaluable experience allowed him to refine his skills and further enhance his expertise.

Driven by his talent, passion, and compassion, Dr. Kohanfarsi made the decision to dedicate his professional endeavors to the wonderful community of Woodland Hills, where he has established a reputation for providing exceptional dental care. He takes great pride in creating a metal-free environment in his practice, reflecting his eco-friendly approach to dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

A person of warmth and integrity, Dr. Kohanfarsi cherishes the connections he has built with his patients, considering them as friendships that grow stronger with each passing year. He is fortunate to have the love and support of his amazing wife, parents, and two siblings, and he shares his life with two adorable rescue dogs named Charlie and Teddy, who bring joy and companionship to his daily routine.

In his spare time, he indulges his passion for sports, particularly as an avid fan of the Los Angeles Lakers. He values the importance of spending quality time with his loved ones, whether it be sharing a delicious meal or engaging in friendly card games.
