Manhattan, New York Jul 12, 2023 ([IssueWire.com](https://www.IssueWire.com)) - FOODY TV, a holding of GLOBAL BROADCAST PARTNERS LLC. along with its partner Entertainment Arts Research Inc. (who trades under the symbol EARI.PK) announced today that due to lack of funding, it will be forced to put all expansion plans on hold until later in 2023 or early 2024!

In a statement from the Company – “We are sad to announce that due to lack of funding, we are unable to move forward with our expansion plans at this time but continue to seek out new sources of funding. Once we are able to secure our new funding, we will get back on track with the creation of content, subchannels, and the launch of our merchandise and unique product lines. We were hoping to have funding secured but have been unsuccessful to this point but we are continuing our search. We will offer additional updates as we move forward”

ABOUT US -FOODY TV is an OTT channel that is Streaming on Apple TV, ROKU, Android TV, Android App, ITUNES, and Amazon Fire Stick, just to name a few. And consists of cooking segments that are: food, food-related, and/or restaurant related. Our content can be shot on a smartphone or a multi-Camera production and still fit our business model!
