

Freelin-Wade Announces Promotion of Brady Webb to General Manager

Replaces the retired Scott Schwarm

MacMinville, Oregon Jul 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Freelin-Wade](#), a wholly-owned subsidiary of [Coilhose Pneumatics](#), is pleased to announce the promotion of Brady Webb to the position of General Manager. Brady will oversee all Freelin-Wade operations, strategy, and growth initiatives in this role, driving the company's continued success.

Spending time in Sales, Quality, and Production, Brady Webb has been an integral member of the Freelin-Wade team for nearly 18 years, consistently demonstrating exceptional leadership, customer focus, and a deep understanding of our industry. "I am honored and thrilled to take on the role of General Manager at Freelin-Wade," said Brady Webb. "We have an amazing team doing remarkable things every day. I look forward to working with this exceptional group of people as we strive for new levels of success. Together, we'll continue to provide our customers with outstanding products and services while embracing innovation and growth opportunities."

Coilhose Pneumatics' President, Marvin Aaron, expressed confidence in Brady's ability to excel in his new role, saying, "Brady's promotion to General Manager is a testament to his exceptional leadership skills, extensive industry knowledge, and unwavering commitment to our customers. We are confident in his ability to lead Freelin-Wade into the future, driving growth and delivering exceptional value to our customers."

Please join us in congratulating [Brady Webb](#) on his well-deserved promotion to General Manager.

About Freelin-Wade

Founded in 1980, Freelin-Wade is North America's largest independent manufacturer of plastic tubing and hoses for industries including fluid power, aerospace, and medical. The company employs 90 people at its McMinville, Oregon plant. Privately held Freelin-Wade is a wholly owned subsidiary of Coilhose Pneumatics. Worry-free Freelin-Wade tubing is always an exact fit and sets the gold standard for on-time delivery.
