Get to know Chiropractor Dr. Hayden Alexander Edge, who serves patients in Broomfield, Colorado.

New York City, New York Jul 3, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Edge, a skilled chiropractor, is the Co-Owner of Elevation Chiropractic & Wellness in Broomfield, Colorado.

To get patients back to living their lives to the fullest, he practices Diversified Adjusting, Thompson Drop

Technique, Flexion Distraction, Activator Protocol, and Pin and Stretch Techniques. He understands that pain can come from a variety of sources and by finding the true cause, he can alleviate the uncomfortable symptoms, resulting in ELEVATED health and happiness.

Elevation Chiropractic & Wellness offers a variety of treatment options to help patients reduce pain and increase function, including chiropractic adjustments, massage therapy, acupuncture, trigger point injections, large joint injections, physical therapy, and more. The clinic creates a personalized experience that helps improve clients and achieve optimum health and wellness through customized care and treatment.

Growing up in the Memphis, Tennessee area, Dr. Edge has always wanted to help others become healthier and well, so he went to the University of Missouri to complete his undergraduate degree in Athletic Training. While he loved helping athletes get back on the field, he wanted to expand his help to a wider population of people. Therefore, immediately after undergrad, he went on to Logan University near St. Louis, Missouri where he earned his Doctor of Chiropractic degree.

Striving for excellence, Dr. Edge is an active member of the Colorado Chiropractic Association and the Motion Palpation Institute.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain, back pain, headaches, vertigo, and a long list of other ailments and conditions. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself naturally, without the use of medication or surgery.

Attributing his success to the time he takes to talk with and understand his patients, Dr. Edge has been named a 2023 Top Chiropractor by America's Best Doctors.

When he is not working, he loves to enjoy all that Colorado has to offer, especially snowboarding and hiking. If he is not in the mountains, Dr. Edge is playing in a recreational soccer league or playing board games at home. He is also a collector of rocks and loves to display a few of his favorites around the clinic. He currently lives in the Denver area.
