

HIC Global Solutions Appoints New Director in the US To Lead Strategic Initiatives

Leading Salesforce Consulting partner, HIC Global Solutions Inc. announces the appointment of Nathan Brown as the new Director in the US

Milwaukee, Wisconsin Jul 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - Leading [Salesforce Consulting partner](#), HIC Global Solutions Inc. announces the appointment of Nathan Brown as the new Director in the United States.

As the new director, Nathan, will take up the role effective immediately and will be responsible for overseeing HIC's operations, strategic initiatives, and business development efforts in the United States.

His appointment comes at a crucial time as **HIC Global Solutions** looks to expand its presence, build strong partnerships, and deliver innovative industry solutions to clients across the country.

Nathan brings along with him an interesting mix of extensive experience in the software, IT services, and technology sectors. With over 13 years of experience, he has a proven track record of driving business growth and spearheading successful market expansions. His strategic vision, coupled with his deep understanding of the US market dynamics, makes him the ideal candidate to lead HIC into its next phase of development.

"I am thrilled to join HIC as the Director of North America and be part of a dynamic and innovative team. I believe that HIC Global Solutions has tremendous potential for growth in the US market, and I look forward to working closely with our talented team to deliver exceptional industry-specific solutions to our clients," said Nathan

Welcoming Nathan to the HIC family, **Piyush Singhal, CEO of HIC Global Solutions** said, "We are excited to have Nathan with us as our new Director of North America. His remarkable track record, passion for innovation, and deep understanding of the US market will be instrumental in driving our growth and serving our clients with excellence. We are confident that Nathan's leadership will propel us to new heights."
