

Immerse the HD Movie World with 91% Off CleverGet All-In-One 11 on Mid-Year Promotion

Customers can get CleverGet All-In-One 11 with a 91% discount on Leawo's mid-year promotion for downloading movies from various streaming platforms.

Shenzhen, Guangdong Jul 24, 2023 ([IssueWire.com](https://www.issuewire.com)) - Some movie enthusiasts would like to watch lots of movies on different platforms. However, it is annoying when platforms do not allow visitors to download videos or when websites have ads and pop-ups. Therefore, a video downloader could be helpful. As a software company that pays efforts to provide users with heartwarming services, Leawo has released the [2023 Mid-Year Giveaway & Sales](#), which runs until August 15th, 2023. They exclusively offer CleverGet All-In-One 11 for downloading various movies online to help movie enthusiasts get relaxed with an immersive viewing experience.

On this promotion, CleverGet All-In-One 11 lifetime plan is available for only \$219.95 with 91% off, instead of the original price of \$2538.60. Moreover, several CleverGet modules are on sale with 50% discounts. Besides, lots of other products are offered at favorable prices. Detailed info is provided on the activity page.

What is CleverGet All-In-One 11?

[CleverGet All-In-One 11](#) is an online video downloader toolkit including 28 modules, which allows users to download videos and live streaming videos from free/paid streaming sites more than 1000+ sites, like

YouTube, TikTok, Amazon Prime Video, Apple TV+, Disney+, Netflix, HBO Max, Twitch.tv, Disney+, etc. With an inherent browser, users can spare no effort to get M3U8 links for downloading available videos at up to 8K resolution. Whether all seasons or a certain episode of TV shows, CleverGet is able to download them to MP4/MKV/WEBM formats in batches with original quality. Besides, it can automatically remove ads from source movies for better viewing.

How to Use CleverGet All-In-One 11?

It is easy to use this toolkit, just follow the steps:

1. Download, install and launch CleverGet All-In-One 11 on the computer.
2. Copy and paste the target movies link on the interface (or click the icons listed on the homepage directly to access some sites).
3. Play back the target movie within CleverGet and it will parse the video M3U8 links. (If not, click the blue download icon at the right bottom to let CleverGet detect available sources.)
4. Select the target formats from provided lists, then click "download". The downloading process and downloaded task can be checked at the right sidebar.
