

Independent Music Sensation MushtabaArshad Takes the Music Industry by Storm

MushtabaArshad: The Rising Star Redefining the Music and Film Industry.

Pune, Maharashtra Jul 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - **MushtabaArshad**, the multi-talented independent music artist, singer, songwriter, composer, producer, director, and scriptwriter, is making waves with his exceptional talent and entrepreneurial spirit. Hailing from India, MushtabaArshad is the proud owner of MushtabaArshad Production, a film and music record-label company, propelling his career to new heights.

Born Altamash Arshad Penkar on February 28, 1995, in Pune, Maharashtra, **MushtabaArshad** belongs to a Konkani Muslim family. He has gained recognition for his captivating pop songs, including the popular tracks "**TeriAadatSi**" released in 2017, "**KuchToBolDe**" in 2022, and most recently "**Main Atish Banuga**" and "**Main Tere Naam**" in 2023.

MushtabaArshad's musical journey began in 2013 during his junior college days, when he discovered his passion for music and started learning the guitar instrument at the Divine Music Academy. His mesmerising velvet voice texture enchanted spectators despite his lack of formal training. At events hosted at the Abeda Inamdar Azam Campus College, he made his debut as a cover singer, performing well-known songs. He very quickly gained attention for his unique singing quality, which left the audience in surprise.

MushtabaArshad's immense talent, combined with his entrepreneurial spirit, led him to establish **MushtabaArshad Production**, his very own film and music record-label company. With a commitment

to creativity and innovation, **MushtabaArshad** aims to produce groundbreaking music and captivating films, creating a lasting impact in the industry.

To experience **MushtabaArshad's** remarkable talent and stay updated on his latest projects, follow him on social media or visit his [Spotify Page](#).
