The Shri Ram Academy Steps Forward as a Candidate School for IB Middle Years Programme

Hyderabad, Telangana Jul 5, 2023 ([IssueWire.com](https://www.issuewire.com)) - The Shri Ram Academy Steps Forward as a Candidate School for IB Middle Years Programme

In a crucial educational advancement, The Shri Ram Academy is proud to announce its status as a candidate school for the International Baccalaureate (IB) Middle Years Programme (MYP). This development marks a significant stride in our journey towards delivering a globally recognized, challenging, and quality education.

Located in the heart of our city and with a proud history of academic excellence, The Shri Ram Academy is now geared to follow the rigorous process to become an IB World School. This globally-esteemed designation resonates with our shared commitment to fostering global citizenship through an academically rigorous and internationally-focused curriculum.

Becoming a candidate school for the MYP signifies our dedication to offering the IB's comprehensive academic programmes in the future. These include the Primary Years Programme (PYP), the MYP, the Diploma Programme (DP), and the Career-related Programme (CP). While the candidate status is not an outright guarantee of eventual authorization, it is an important leap in that direction.

We are steadfast in our goal of becoming an IB Continuum School, aiming to offer the PYP, MYP, and DP in the coming years. This stands as a testament to our commitment to provide a challenging and high-quality international education.
