

ISCPO Announces ThinkLP as a Preferred Vendor Partner

ISCPO Welcomes ThinkLP as Preferred Vendor Partner to Further Boost Supply Chain Security

Dallas, Texas Jul 31, 2023 ([Issuewire.com](https://www.issuewire.com)) - Today, the International Supply Chain Protection Organization (ISCPO) proudly announces the exciting addition of ThinkLP as a preferred vendor partner. With the ever-accelerating speed of business in the supply chain industry, ISCPO members rely on various vendors to provide cutting-edge tools, technology, and services that optimize their departments and streamline the flow of goods. Driven by its commitment to continuous improvement, ISCPO is dedicated to expanding its array of vendor solutions, harnessing emerging technologies, and staying at the forefront of industry best practices. The partnership with **ThinkLP** as a preferred vendor helps our members with an integrated suite of innovative Total Risk Management solutions, all powered by a state-of-the-art technology-enabled managed services platform focused on case management, audit and EBR & analytics for total risk management.

For ISCPO members, using ThinkLP means enhanced support for your asset protection, seamless integration with other vendors, and a greater peace of mind. By leveraging ThinkLP's comprehensive suite of services and advanced technologies, ISCPO members can effectively safeguard their assets and respond swiftly to potential threats.

About ThinkLP:

ThinkLP is an award-winning loss prevention software platform that helps organizations centralize their data, digitally transform their functions, and unlock hidden insights to improve performance. ThinkLP's leading-edge solutions include incident & case management, safety, risk, compliance, audit, organized retail crime (ORC) intelligence, and prescriptive fraud analytics. Also, ThinkLP's safety solutions include the ability to track accidents, injuries and leave periods through our Case Management platform. This data can then be used to complete necessary year end OSHA reporting. Please visit www.thinklp.com to book a demo.
