

Jared Kamrass Scholarship for Public Service Empowers Students to Make a Positive Impact in their Communities

Cincinnati, Ohio Jul 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - The [Jared Kamrass](#) Scholarship for Public Service is delighted to announce its annual scholarship program, offering current undergraduate and graduate students in the United States the opportunity to receive financial support while pursuing their passion for public service. Established by Jared Kamrass, Principal at Technicolor Political, this scholarship aims to recognize and encourage students committed to creating a positive impact in their communities and society at large.

The scholarship website, <https://jaredkamrassscholarship.com/>, provides detailed information about the scholarship and the application process. To be considered for this prestigious award, eligible students are required to submit a creative essay of under 1000 words that addresses the question: "What inspired you to pursue a career in public service, and how do you plan to use your education and skills to make a positive impact in your community and society at large?" The deadline for submitting applications is December 15, 2023.

[Jared Kamrass](#), the driving force behind this scholarship, is a prominent figure in the field of political consulting and activism. His passion for politics was ignited during his early years, as he watched *The West Wing* with his family and was inspired by Barack Obama's remarkable speech at the 2004 DNC Convention in Boston. Jared's journey took an unexpected turn when he was diagnosed with Hodgkin's Lymphoma in college, leading him to shift his focus toward healthcare reform and striving to address the disparities driven by economic circumstances. After recovering, Jared dedicated himself to electing policymakers who work towards ending these inequities.

Upon graduating from Ohio State University, Jared returned to his hometown of Cincinnati and successfully managed local campaigns before founding Rivertown Strategies in 2013. Over the years, Rivertown grew to become one of the leading full-service Democratic consulting firms in the Midwest, extending its reach to multiple states, including Ohio, Pennsylvania, Kentucky, Tennessee, Louisiana, Oregon, and Florida. Jared's commitment to making a difference in the political landscape was further exemplified by his role as a Senior Advisor to the Democratic Congressional Campaign Committee during the challenging 2020 election cycle, where he advised candidates and staff in highly competitive districts amid the backdrop of the COVID-19 pandemic.

As a Principal at Technicolor Political, Jared continues to make waves in the political sphere, serving as an ad maker and media consultant for national committees, as well as candidates running for Governor, Congress, and other statewide and local offices. Technicolor Political, the largest majority Black-owned firm in the Democratic party, sets itself apart by creating and placing content that breaks the mold of traditional political advertising, capturing the attention of voters in an era of multi-screen engagement.

The [Jared Kamrass](#) Scholarship for Public Service represents Jared's commitment to fostering the next generation of leaders who are passionate about public service and driving positive change.
