

Jennifer Dawn Coaching Receives Prestigious Women In Business Award For Resilience In Coaching

Acquisition International Honors Founder and CEO Jennifer Dawn as the Most Resilient Business Coach in the Northeast, United States

New York City, New York Jul 21, 2023 ([IssueWire.com](https://www.issuewire.com)) - Jennifer Dawn Coaching is proud to announce that Jennifer Dawn, founder, and CEO of the coaching company, has earned the Women In Business Award and has been recognized as the Most Resilient Business Coach in the Northeast by Acquisition International, a leading global business publication.

This esteemed Women In Business Award acknowledges Jennifer's exceptional ability to guide her clients through day-to-day business challenges, helping them to build resilience and empower them to achieve their goals and remarkable success.

As a seasoned business coach and expert, Jennifer and her team have significantly impacted lives and enterprises. Through her personalized business coaching programs, Jennifer and her team help small business owners and professionals overcome obstacles, navigate complexities, and develop unwavering resilience in adversity.

"I am deeply honored to receive the Most Resilient Business Coach Award from Acquisition International," said Jennifer Dawn. "Coaching my clients through the day-to-day challenges without question develops resiliency. This is one of my greatest strengths, and it's wonderful to be recognized officially."

Resilience is a critical skill in today's fast-paced and ever-changing business landscape. Jennifer's dedication to empowering her clients with the tools to face challenges head-on has earned her this prestigious recognition. Her ability to inspire confidence, instill optimism, and promote a growth mindset has led to numerous success stories among her clientele.

The Women In Business Awards by Acquisition International celebrates the achievements and contributions of outstanding women entrepreneurs and leaders across various industries throughout the world. The recipients are selected from thousands of nominees based on their exemplary performance, unique approaches, and commitment to excellence.
