Get to know Dentist Dr. Kajal Singh, who serves patients in Manassas, Virginia.

New York City, New York Jul 11, 2023 ([IssueWire.com](https://www.issuewire.com)) - Offering caring, professional, and comprehensive dentistry, Dr. Singh practices at Reflection Dental - Manassas in Virginia. She is a highly trained dental professional, who believes in a holistic approach to achieving oral health and well-being. Apart from routine general dentistry she is trained and certified in Invisalign® treatment, dental cosmetic treatment, surgical implant placement and restorations, surgical extractions and bone grafting, laser dentistry, and TMJ and facial pain therapy.

“My mission is to render comprehensive individualized care for each patient. This holistic approach and patient’s participation in decision-making lead to long-lasting cosmetic and functional results. I love spending time listening to my patients and feel that establishing a professional relationship is the foundation of achieving oral health and a complete state of wellness.”

After graduating with her Bachelor of Dental Surgery and Master of Dental Surgery degrees from King George’s Medical University in India, Dr. Singh relocated to the United Kingdom to further her education. She earned her Master of Science degree in Healthcare Management from the University of Wales - Cardiff in 2014, after which she relocated to the United States where she obtained her Doctor of Dental Surgery degree from the University of California San Francisco School of Dentistry in 2020.

A licensed dentist through the Virginia Department of Health Board of Dentistry & Invisalign® Gold + provider, Dr. Singh is constantly engaging with the most respected resources in advanced aesthetic dentistry, occlusion, and oral surgery.

Among her professional dental affiliations, she is a proud member of the American Dental Association and the American Academy of Facial Esthetics.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries, create beautiful smiles, and perform other duties to ensure that the teeth and mouth are healthy.

Outside of dentistry, Dr. Singh adores spending time with her husband, daughter, and puppy. She also loves painting, photography, as well as practicing Vinyasa and Hatha Yoga.
