

Ken Kremsky Boasts Extensive Experience in Financial Work as Cost Accounting Manager

This press release is to inform the readers that Ken Kremsky boasts extensive experience in financial work as cost accounting manager.

Philadelphia, Pennsylvania Jul 29, 2023 ([IssueWire.com](https://www.issuewire.com)) - As the cost accounting manager, [Ken Kremsky](#) boasts extensive experience in financial work. He successfully managed all accounting functions and maintained accurate accounting and financial reporting systems. Moreover, he implemented efficient work standards that led to manpower reductions and cost savings of \$400,000 annually.

Ken has been serving as the Senior Manager of Finance and Strategic Projects at Mondelez International East. In this capacity, he plays a crucial role as the finance lead for the Supply Chain Reinvention team's projects. His responsibilities primarily revolve around handling financial rationale, project optimization, and Capex spend in these initiatives.

In his previous role as a controller at Kraft Foods Inc. in Lehigh Valley, **Ken Kremsky** demonstrated his dedication to overseeing all accounting activities for the facility, including the preparation of the annual operating budget. Additionally, he actively participated in managing both internal and external audits. Apart from that, Ken was responsible for handling all aspects of the Accounting department, which encompassed managing Accounts.

About Ken Kremsky

Currently, **Ken Kremsky** is working as a consultant for a private equity firm in Pennsylvania. Here, he implements the new ERP accounting software and facilitates A2R process for the acquisition of the company. Regarding his education credentials, Ken Kremsky pursued Bachelor of Science in Accounting from Pennsylvania State University. Thereafter, he completed his Master of Business Administration in Finance from La Salle University.
