

Lance Reegan-Diehl Releases Video From Maniacal Cavern - Don't Look Back

Take your time, don't move too fast, Don't Look Back it's in the past. Riff oriented rocker straight off of Maniacal Cavern by Lance Reegan-Diehl.

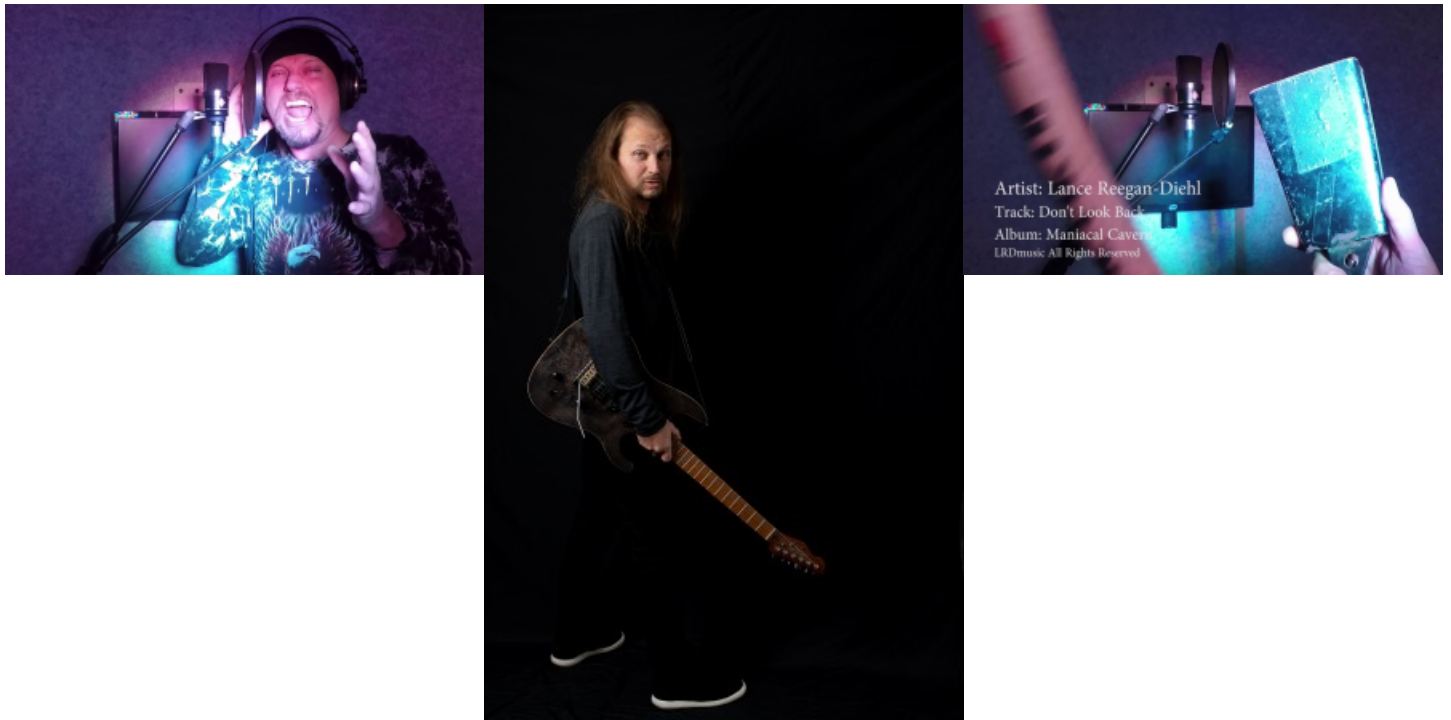

Seoul, South Korea Jul 19, 2023 ([IssueWire.com](https://www.IssueWire.com)) - **Maniacal Cavern, Lance Reegan-Diehl (LRD)** This is a mainly instrumental guitar album, but there are a few vocal tracks on the record, and the latest video is of the track '[Don't Look Back](#)' that features LRD on guitar, vocals, cowbell, and drums. This is a track that will have you playing it over and over, as there is so much going on in it. From the cowbell to the main riff that locks you in your seat. 'Don't Look Back' is an infectious earwig of a song, and is mainly placed in and around his own studio, which is underground, and a bit like a Cavern. 'Don't Look Back' is one of the 13 tracks on 'Maniacal Cavern', 9 (nine) of the tracks are instrumental tracks featuring guitar, and 4 (four) tracks have lyrics. A culmination of tracks and recording from Lance's studio spanning from 2019 up until 2023. The video is available on YouTube on the [LRDyt Channel](#).

Lance Reegan-Diehl (L.R.D.) is a Canadian Guitarist, an enduring talent in the music industry with his guitar work appearing on several albums, and his own solo releases and L.R.D. Band releases. He is known for his music work in and out of the studio a testament to his talent and affinity for creating magic and transferring it to the listener. He is the epitome of the indie artist the consummate musician, producer, clinician, businessman, and an example to anyone that wants to succeed in the music industry.

The guitarists' work has also appeared on several albums and singles over the years. With over Fifteen

studio albums to his credit, the latest being *Maniacal Cavern*. With guitar and production work on over 29 albums total. He is also a well-known touring musician and clinician while representing several names of instrument manufacturers over the years. His technical abilities are recognized in high regard, and companies seek his recommendations and representation for their equipment. *Maniacal Cavern*, is an online and direct CD/MP3 sale from the LRD Music website. The album is streaming and available for purchase on [Spotify](#) and on [iTunes](#).

Lance works from a place that has a strong foothold and understanding of all aspects of music and how the listener perceives it. His lecture topics include dealing with the music business, maintaining a repertoire, getting along with people in very close quarters, and ultimately understanding the language of the musician. Lance is an endorser of Chapman Guitars, SoundDrive Amplification, and Graphtech Guitar Parts. [‘Don’t Look Back’](#). (LRD).
