

## Leawo Software Offers CleverGet Video Downloader Up to 90% OFF to Celebrate Independence Day

To celebrate spectacular Independence Day, Leawo Software announced a week-long online sale, offering up 90% CleverGet Video Downloader to download videos from 1000 websites.

**Shenzhen, Guangdong Jul 6, 2023 ([Issuewire.com](http://Issuewire.com))** - As the nation gears up to honor its freedom, Leawo Software, a leading multimedia software developer, is thrilled to announce a week-long online sale in celebration of Independence Day. [Leawo Independence Day Sale](#) offers incredible discounts on their highly acclaimed [CleverGet Video Downloader](#), giving users the opportunity to download videos from various platforms effortlessly. They are excited to offer customers an opportunity to indulge in sensational deals and discounts on a wide range of products. This activity will last until July 15, 2023.

CleverGet Video Downloader is widely recognized as the best tool for downloading videos, movies, TV shows, and live streams from over 1000 websites, including popular platforms like [Fansly](#), [Fmovies](#), YouTube, Twitter, and Vimeo. With CleverGet Video Downloader, users can save their favorite videos in

high quality, with support for formats such as MP4, MKV, WebM, and more. Moreover, the downloader also supports playlist downloads, multitasking, ads removal, hardware acceleration, and numerous other features.

However, CleverGet Video Downloader is just one of the many modules included in Leawo's CleverGet suite. Users can also benefit from other modules to [download videos from paid services like OnlyFans](#), Netflix, Hulu, Disney+, Prime Video, HBO Max, Apple TV Plus, Discovery+, Paramount+, Crunchyroll, and many more. Using CleverGet to download videos is very simple – enter the video URL, choose download options, and then click the “Download” button.

During this exclusive event, Leawo is offering a 90% discount on CleverGet All-in-One 10, a comprehensive and user-friendly 24-in-1 online video downloader. Alternatively, customers can avail themselves of CleverGet Video Downloader individually at a staggering 50% off. This limited-time offer allows users to save up to an astounding \$1968.85. So don't miss out on this remarkable opportunity to acquire CleverGet Video Downloader or CleverGet All-in-One 10 at unbeatable prices. In addition, if users want to burn downloaded videos to DVD, Blu-ray, or UHD discs, convert videos to other formats, add various effects to videos, etc., Leawo also offers their Blu-ray Ripper, Blu-ray Copy, Blu-ray Creator, Video Converter, and many other software in up to 70% discount.

Moreover, as an added bonus, all visitors to the sale can enter to win a free copy of [Leawo Photo Enhancer](#). By simply entering their name and email address on the promotion page, participants will receive a complimentary registration code for this powerful AI photo enhancer. Photo Enhancer enables users to batch or individually enhance their photos, achieving stunning results effortlessly.
