Get to know Family Physician Dr. Leticia Garcia-Seay, who serves patients in Texas.

New York City, New York Jul 5, 2023 ([IssueWire.com](https://www.issuewire.com)) - Having been a family physician in the Conroe, Texas area since 1998, Dr. Garcia-Seay is a part of the team of medical professionals at Affiliates of Family Medicine.

Taking pride in preventative care for the whole family, she has a wide range of focus that will ensure the protection of patients' well-being and help them prevent disease and disability. Some of her areas of special interest include well-woman exams, well-child care, hormone replacement therapy, as well as chronic diseases like diabetes, heart disease, and hypertension.

Pleased to have added aesthetics to her practice, Dr. Garcia-Seay also owns and operates Art of Wellness Med Spa in Spring, Texas.

The team at Art of Wellness Med Spa is passionate about creating a spa experience that will improve one's total well-being and beauty. Their mission is to provide clients with customized treatments and procedures that are safe and effective in a beautiful and relaxing space.

"The dermatologic aspect of our services helps us provide more to our patients and treat them as a whole. If we have the opportunity to treat our patients medically, then meeting their other needs such as hair removal or weight loss brings a total sense of balance to their healthcare" expressed Dr. Garcia-Seay.

Throughout her academic career, she received her undergraduate degree at St. Mary's University and went on to earn her medical degree from the University of Texas Medical Branch at Galveston. She then completed training with the Conroe Family Medicine Residency Program.

As a testament to her continued education, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Licensed to practice medicine in Texas, Dr. Garcia-Seay is affiliated with Memorial Hermann The Woodlands Medical Center, St. Luke's Health - The Woodlands, and HCA Gulf Coast Division.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

The consummate goal-setter, Dr. Garcia-Seay enjoys running, gardening, cooking, and baking.
