

Margaret Perusse Oberman, MD, MPH, FACP, an Internist with Frederick Health Rose Hill

Get to know Internist Dr. Margaret Perusse Oberman, who serves patients in Frederick, Maryland.

New York City, New York Jul 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - An experienced internist, Dr. Oberman is the Medical Director of Internal Medicine, Primary Care, and Endocrinology at Frederick Health Rose Hill in Maryland. Seeing patients over the age of 18, she believes in comprehensive patient care to include both emotional and physical well-being. Her clinical interests include treating high blood pressure, diabetes, thyroid disease, and high cholesterol.

Throughout her academic journey, she graduated with her medical degree from the Tufts University School of Medicine, and completed her residency in internal medicine at the Naval Medical Center Portsmouth.

Recognized as a Fellow of the American College of Physicians (FACP), the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in Internal Medicine are called Internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
